Brighton College Abu Dhabi wishes to recruit a Teacher of Foundation Stage Two.

Each school combines academic excellence with a wealth of extra-curricular opportunities, all underpinned by a deep commitment to the individual needs and enthusiasms of every child, and each values the importance of the individual: every boy and girl in the Brighton family of schools is valued for his or her own sake and encouraged to develop his or her talents to the full, in a community where there are no stereotypes and where every achievement, however small, is noticed.

Brighton's success is built upon recruiting genuinely inspirational teachers who can enthuse about their subject and will help to create an exciting and vibrant intellectual environment in which children can explore their interests, develop their existing talents, and acquire new ones.
