

1. Policy Statement

Brighton College seeks to encourage and reward good behaviour by creating a respectful, well-ordered, tolerant, and compassionate environment in which pupils take responsibility for their actions as well as those of others, so as to develop their self-knowledge, self-esteem and self-confidence. The behaviour policy is instrumental to this ethos. Good behaviour is actively modelled by a caring and supportive professional body of staff, whose actions set the tone for discipline in the College and who strive to encourage and reward pupils regularly and openly. The celebration of achievements as a community forms an essential part of the policy. Poor behaviour is dealt with constructively according to a clear range of hierarchical sanctions and discussed in a reasonable way between pupil, parents and teachers wherever possible. The College seeks to explore the reasons that cause poor behaviour and, by reasonable discussion in which pupils take an active part and are encouraged to confront their actions, be reflective and find strategies to encourage all pupils to behave well. It goes without saying that we expect pupils, parents and teachers to take an equally active role in the encouragement and enforcement of good behaviour.

2. Aims

To identify agreed procedures for promoting positive behaviour and good learning environments. For the pupils to maintain good discipline and behaviour in classes and around the College. To develop the pupil's sense of community, self-discipline and an acceptance of responsibility for their own actions.

Brighton College Abu Dhabi believes that developing a culture where positive behaviour is rewarded has the desirable and effective result on behaviour.

It is the responsibility of all members of academic and non-teaching staff to set high expectations and uphold and enforce, with the use of sanctions where necessary, the Code of Conduct. Pupils from Brighton College Abu Dhabi are ambassadors for the College at all times and their behaviour should reflect the standards that are expected.

3 Practice and Procedure

3.1 Pupil Code of Conduct

At Brighton College Abu Dhabi:

- We are kind
- We are passionate learners
- We are respectful
- We are first class versions of ourselves
- We make sensible choices.

BRIGHTON COLLEGE

ABU DHABI

4. EYFS to Year 5

4.1 Choice

At BCAD, we encourage pupils to take personal responsibility for their behaviour and support them in managing and understanding their choices. We encourage empathy and that they think of others and the wider world. We offer them lots of opportunities to collaborate in order to encourage tolerance, acceptance of others' opinions and a sense of community and belonging. We never intentionally humiliate or shame a pupil. We encourage pupils to make positive choices and to reflect and make amends when they have failed to do so. This supports William Glasser's Choice Theory.

"The universal system for empowering individuals and improving relationships. Choice Theory is based on the simple premise that every individual only has the power to control themselves and has limited power to control others. Applying Choice Theory allows one to take responsibility for one's own life and at the same time, withdraw from attempting to direct other people's decisions and lives. Individuals are empowered to take responsibility for their choices and support others in taking ownership of their choices. Negative behaviours reduce in frequency and intensity, relationships strengthen and satisfaction in life increases."

Language to support Choice:

- Good choice
- Wrong / Poor choice
- Consequences of your choices

Strategies to support Choice:

Restorative Conversations (example, adapt and use your own words)

- What happened?
- How did it make you feel/What did you need/want?
- Who has been affected by what you have chosen to do?
- What has been the hardest thing for you?
- What do you think needs to be done to make it right?
- What have you learnt and what will you do differently next time?

4.2 Pupil Expectations and Code of Conduct

The Pelican values as well as our whole school values of Curiosity, Confidence and Kindness, outline the highest expectations of all pupils and staff. These should be conscientiously modelled, praised and rewarded throughout the year.

All classrooms are required to have a display of these Pelican values including the pictures which go with them.

Pelican:

BRIGHTON COLLEGE ABU DHABI

- Perseverance
- Enthusiasm
- Leadership
- Improvement
- Creative
- Achievement
- Nurture

4.2.1 Rewards

Recognition is given to children who follow the Code of Conduct and Expectations of the school. There are various forms of rewards. Teachers are expected to keep a track of the pupils they are rewarding and to ensure every child gets an opportunity.

EYFS

EYFS may use a visual to manage behaviour e.g. sun and cloud transition, good choice / poor choice interactive displays.

Pelican Pathway

The pupils from FS2 – Year 5 have an individual Pelican Pathway map which will take them on a journey of rewards throughout the year. Pupils are rewarded with a sticker on their map for showing the Pelican values. There are different milestone awards rewarded throughout the year. Bronze – 30, Silver – 70, Gold – 120, Crest – 156.

House Points

House Points are rewarded for displaying acts of kindness during house events.

Informal Rewards

Teachers are encouraged to remember the importance of various forms of rewards which encourage children such as:

- Verbal praise
- Displaying work
- Email to parents
- Written praise in workbooks
- Giving of additional responsibilities

4.2.2 Sanctions

Positive reinforcement is always encouraged to be used before resorting to sanctions. Teachers are encouraged to model good behaviour, praise and reward the expected behaviour repeatedly, make specific reference to their class rules and discuss these with the pupil(s) before resorting to sanctions.

Restorative conversation

BRIGHTON COLLEGE ABU DHABI

If an incident occurs, teachers are encouraged to engage the child in a restorative conversation. This should be done immediately if time permits, and if not, it should be done before the end of the day.

*See paragraph regarding restorative conversation in the Choices section.

Reflection during social time

If repeated misbehaviour occurs despite engaging in a restorative conversation and it is impacting a pupil's ability to complete classwork, pupils may complete these activities with the help of a teacher during their social time.

Calm Time/Area

If an incident occurs and the teacher cannot engage in a restorative conversation at the time, the child will remove themselves (or be encouraged by a CA) from the situation and will engage in a calm time practice. *EYFS may use a visual e.g., a cloud and a sand timer.

Teachers are to have designated resources to be used by a child during Calm Time such as emotion cards, sensory objects, a feeling check in – sheet etc. These can be collected by the pupil and used in an area of their choice. Please be aware that we do not do the following to manage behaviour:

- Shout or use an aggressive tone with children.
- Place children at a table by themselves as a sanction unless this is for health and safety of themselves or others. Please refer with your HOY or DHP if you feel you need to take this step.
- Threaten to take away break times, play times or PE times.
- Use Stop and Think frequently and without implementing other steps.

Escalation

If a pupil(s) behaviour has not improved, please refer to the flowchart and levels of behaviour outlined in order to determine what action is to be taken next.

Level 1: General Support

Teacher intervention and parent engagement

Teacher input including restorative conversations, reflection during social time, calm time, individual behaviour chart. Teachers may communicate to parents any behavioural difficulties their child is facing. The teacher may explain to parents the interventions they are putting in place to support the child and may require the support of the parents e.g. talking about the school expectations with them at home.

Level 2: Targeted Support

Pastoral Action

In Pre-Prep, DHP will engage with the pupil if there are ongoing behavioural concerns. DHP may complete social stories, restorative conversations or use the Zones of Regulation toolbox. These practices can be done during a period of a child's break. DHP will also engage with parents.

BRIGHTON COLLEGE ABU DHABI

In Prep, the Pastoral Team (YGLs, AHs, DHP) will engage with the pupil if there are ongoing behavioural concerns. Please see Prep Communication Flowchart.

Level 3: Intensive Support

An Individual Behaviour Plan that sets measurable goals should be created with the parents, DHP, class teacher and inclusion teacher (if applicable). These goals should be reviewed regularly.

Level 4: Exclusionary Measures

If the pupil's behaviour has not improved following intensive support, the Head of School should consider whether allowing the pupil to remain in the college will or may cause harm to the education and wellbeing of the pupil themselves or other pupils. In this case, a report should be written and submitted to the relevant MOE authority. This report should be written with the knowledge and input of the parents, teacher, DHP and DSL and Head of Inclusion (if applicable).

4.2.3 Reporting Behavioural Issues

Teachers will log behavioural incidents onto CPOMS. Behaviour should be logged for repeated green behaviours or for any instances of yellow or red behaviour (see behaviour descriptions below).

- Behaviour incidents should be linked to ALL students involved whether they are the perceived perpetrator or not.
- Initial and date any follow up comments.
- Entries should be factual and avoid judgements or opinions i.e., “? didn’t seem sorry”, “? is manipulative”, “That’s typical of children from...”
- Be clear on the consequences for behaviour, any contact with parents and add any relevant follow up information.

Behaviour Descriptors

Low – level green behaviour: Teacher input including restorative conversation, reflection during social time, calm time.

- 1 Unkindness: Name calling/unkind words/ostracising/not sharing (Not EYFS – severe)
- 2 Poor behaviour: Class / Toilets / Assembly / Bistro / Breaks

BRIGHTON COLLEGE ABU DHABI

Throughout the disciplinary process, we monitor, document, and provide pupils with ongoing support to focus (whether through the school counsellor or the in-school specialist) and other forms of support (e.g., social worker), as required, throughout the disciplinary process.

We deal with misconduct that can be categorized as maltreatment (e.g., physical abuse, bullying, sexual abuse) in line with the maltreatment reporting procedure in the Handling Student Maltreatment Concerns within Educational Institutions (DAA Child Protection Committee, 2024).

We will always involve law enforcement authorities as appropriate where misconduct is illegal as per the latest applicable laws in the UAE.

Further, we ensure that, where disciplinary procedures are being exercised in relation to pupils with additional learning needs, the Head of Inclusion shall be consulted to determine appropriate disciplinary action. As such, we ensure that any underlying special educational needs affecting behavioural regulation are considered in determining appropriate disciplinary action.

Where necessary we develop a Documented Learning Plan (DLP) and/or Risk Assessment to manage instances where students with additional learning needs cannot regulate their behaviour in a similar manner to their peers due to an underlying need.

Where applicable we provide sufficient guidance to pupils to ensure continued learning during supervised detention and/or suspension periods.

Appeals Procedure: Where an external suspension is applied, parents can appeal the Behavioural Management Committee's decision.

Timelines for the appeal:

To appeal a school's decision to externally suspend their child, parents have 1 working day.

To appeal a school's decision to expel their child, parents have 10 working days.

Modes of appeal can take any of the following forms; email, telephone, or face-to-face meeting.

BCAD has an Appeals Committee, this consists of different members from the Behaviour Management Committee, and which does not involve the Principal, Vice Principal, or any staff who may have a conflict of interest. Where an appeal has been made and following a review by the persons concerned, the school shall issue a final decision (accept or reject) within 2 working days for suspension cases and within 7 working days for expulsion cases and share the decision with the parent.

Should the school not respond to the appeal within 3 working days or the parent rejects the school's final decision, the parent shall be entitled to log a complaint to ADEK within 5 working days. ADEK reserves the right to investigate any complaint in conjunction with suspension and expulsion following

BRIGHTON COLLEGE ABU DHABI

the school's final decision, but not prior to it, unless the school has not issued its final decision within the timeframe stipulated.

Positive Handling: We are authorised, by ADEK, in certain circumstances, to maintain good order, to physically intervene to prevent pupils from harming themselves or others and allow staff to use reasonable force.

When choosing to restrain a pupil, all other options shall initially be considered, and positive handling shall be the last resort in managing situations. Schools are authorised to use positive handling to protect pupils, in circumstances such as to prevent pupils from:

- Leaving the classroom or school premises, where allowing the pupil to leave would risk their safety and/or that of others.
- Injuring themselves and/or others.
- Damaging property.

Any response to extreme behaviour should be reasonable and proportionate, and conducted with minimal usage of physical force and staff should consider the risks and carefully consider any vulnerabilities of the student. Such conduct shall only be in accordance with the following:

- The pupil should be in immediate danger of harming themselves and/or others.
- The member of staff should have good grounds for believing this.
- Only the minimum force necessary to prevent injury or damage should be applied.
- Every effort should be made to secure the presence of other staff before positively handling a student, for the purpose of securing assistance or witnesses.
- Once the situation is deemed to be no longer dangerous, the pupil should be allowed to regain self-control.
