

1. Introduction

The population of the UAE has grown dramatically over the last few decades due to the influx of non-nationals who have come to contribute to the economic diversification and cultural enrichment of Abu Dhabi. As a result, the emirate's private schools are currently represented by a high percentage of non-nationals – pupils and staff – who have infused the private schooling sector with an international richness for the whole school community.

While this has led to the UAE to embrace its diversity through the principles of tolerance as embodied through the National Tolerance Program, there is simultaneously a growing need to ensure that members of the school community are aware of the culturally and nationally acceptable topics and practices in the educational context.

2. Purpose

To provide guidance on cultural consideration in the UAE to assist in developing awareness on topics and practices that are culturally appropriate.

To define expected school practices to ensure adherence to the current legislation of the UAE.

To identify specific requirements to ensure teaching and learning resources are aligned to the UAE's cultural sensibilities.

3. Adherence to UAE Legislation

3.1 We shall ensure that members of the school community understand, respect, and adhere to the requirements identified in this policy, and including:

- The Code of Conduct for Education Professionals in General Education (MoE, 2022)
- MoE Circular No. 1 of 2022 Regarding Private School's Compliance with National Identity Requirements in the School Environment
- MoE Circular No. 1 of 2023 Regarding Promoting a Safe School Environment, and all other legislation in the UAE.

3.2 The Principal shall be responsible for ensuring that school practices and the content of all teaching and learning resources align with and respect cultural consideration as regulated within the laws of the UAE, including but not limited to the following:

1. “Respecting the constitution, laws and orders issued by public authorities in implementation thereof, observance of public order and respect for public morals, is a duty of all residents of the union” (Article 44, Constitution of the UAE).
2. “Preserving the Islamic and Arab principles and values, public morals, and the values, traditions, and systems of the state” (Clause 11, Article 11, Federal Decree Law No. (18) of 2020 Concerning Private Education).
3. “Respect for national identity and sovereignty” (Clause 12, Article 11, Federal Decree Law No. (18) of 2020 Concerning Private Education).
4. Penalties are applied for “Manufactur[ing], import[ing], export[ing], possess[ing], acquir[ing] or transfer[ing] with the intention of exploitation, distribution or display to others, writings, drawings, photographs, films or symbols or other things if they violate public morals” (Article 416, Federal Decree Law No. (31) of 2021 Promulgating the Crimes and Penalties Law).
